The water will also allow a more immersive experience when diving. The Torre8 access ladder to the camera zone. The first is the Water Garden which is an interactive sculpture exhibition in the Museu de Escola Paulista, under construction since late 2017. São Paulo has a deep water table which made the city having abundant water. In fact, São Paulo has the largest number of fish species in Latin America with more than 500 species of fish and 10,000 species of marine animals. It also can be accessed by boat. In addition, in the city's coast, there are bays and islands, which are used for recreation and the protection of the water. Many of these islands and bays were formed from deep waters. The most well known beaches in the city are: The Búzios which is known as Praia dos Búzios. The largest bays in the city are the Itaoca and the Praia do Tijuco. The island of Guarujá has the biggest economic activity in the city. The area is the starting point for many professional sports teams, with the Maracanã

Stadium serving as home to the soccer team Flamengo and the Arena da Baixada serving as the home of the football team Palmeiras. In, the centre of Rio de Janeiro was undergoing a large-scale excavation project in order to create the future Olympic Village for the 2016 Summer Olympic Games. There are many artificial islands in the city including the Bela Vista, Urca, Ipanema and Leblon. While the Arpoador, the Guarapiranga and the Taipu are natural islands. As mentioned in this article, most of the activities in the city center are close to the beaches. There are also many parks and green areas in the center. These areas include São Paulo's botanical garden and the Pampulha Park. Others include the Parque do Ibirapuera, the Anhangabaú Park, the Tijuca Forest and the Ibirapuera Park. Many of these areas are covered with trees. The Park is known as the green lung of the city. It covers an area of 280 square kilometres. It is the largest park in the city. In fact, the Ibirapuera Park is the largest in Brazil. The park was opened in In the park, there are many entertainment and sports activities 82157476af
